

POPIA Compliance & Personal Information Risk Review

We assist your organisation in meeting obligations under the Protection of Personal Information Act (POPIA). Our Personal Information Impact Assessment (PIIA) process ensures your business identifies, assesses, and mitigates data protection risks.

Our 5-Step Approach

- 1 Data mapping and processing register creation
- 2 Risk identification and vulnerability assessment
- 3 Third-party operator compliance review
- 4 Security safeguard recommendations
- 5 Breach readiness and response planning
- 6 Executive compliance reporting

Deliverables include a full risk register, executive summary, remediation roadmap, and compliance evidence pack.
